GINGER ROOT

Who is Ginger Root?

Originating from Huntington Beach, California, Ginger Root is a band. Wait, what? I've received word that Ginger Root is, in fact, not a band... but one guy making nearly all the music:

CAMERON LEW!

Ginger Root.

**"Sounds that can be described as
"aggressive elevator soul!"**

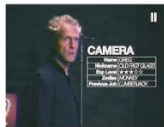

MVs

shinbangumi

nisemono

The essence of Ginger Root is its storytelling, and the key medium in which its story is told is through music videos.

All of Ginger Root's songs are amazing, making this list extremely difficult to create. Nonetheless, here are some songs that stand out to me from various releases!

Fly Too

Autumn's set in, gone is summer
Caught in the wind for so long
I've been taking up my time
To explain everything,
and to gather my things
Saving up my dimes
To run

Better Than Monday

Off and on again
But how long till I move ahead?
It's all the same, all the same

Loneliness

Gone with your lying
Sayin' it ain't it
Oh, loneliness
You know why

Juban District

It's so good to get down at the Juban District!

ginger root's extreme care and
dedication to his songs and story
are very inspiring for young
artists like me. thanks, ginger root.
